What Paul Really Said About Women
AuthorHouse
In this six week, video study, Adam Hamilton explores the key points in his new book, Making Sense of the Bible. With the help of this Leader Guide, groups learn from Hamilton as his video presentations lead groups through the book, focusing on the most important questions we ask about the Bible, its origins and meaning.

Holy Bible (NIV)
AuthorHouse
Most Churches teach that God, Jesus, and the Holy Spirit are equal beings and somehow, the same God. They themselves admit, “It is a mystery beyond our comprehension.” Still however, they want us as followers, to accept this belief with faith despite the fact they cannot explain it. Because of this and the lack of support from the scriptures, do we not have every right to question it? Do the scriptures show there is a three in one God? Jesus said at John 6:38, “I am the bread of life, and he who comes to me shall not hunger, and he who believes in me shall not thirst.” This scripture describes two wills. If there are two wills, then there must be two beings. If one sends the other, then one is evidently in charge which means they cannot be the same or equal. Many other scriptures concur, such as 1 Corinthians 11:3 (NIV) that reads, “The head of Christ is God.”

The book highlights the scriptures used for support of this doctrine and includes the contexts that surround those verses to show that the Bible does not teach a trinitarian type of God anywhere. This book offers over one hundred scriptures that combine to prove the falseness of the teaching of the Trinity. Besides more than enough scriptural evidence, the book also brings into focus how other Bible versions render those same “Trinity” scriptures and divies into the history of this doctrine. When these things are all exposed, the Trinity fails to deliver as truth.

The Bible vs. Biblical Womanhood Wipf and Stock Publishers
This book is designed to show some of the strongest proof that the scriptures are the inspired ‘Word of God’ and do it in the most simple way. The book starts out by showing about 18 Psalms that accurately predicted all of the major events of the 20th century by landing in the Psalm number that is the same year of the event, same even on the correct verse numbers of the month also! The Psalms are the 19th book of the Bible so Psalm 46 becomes 1946 with “He makes wars to cease” one year after 1945 and WWII. Psalm 87 as(1987) Saddam Hussein’s month long (Babylonian) party with musicians invited from all over the world by Babylon is mentioned in Psalm 87.4 “will make mention of Rahab and (Babylon)” and Psalm 87:7 “with as well the singers as the players instruments shall be there.” Other events predicted are the “Y2K problem of 1999 in Psalm 99.8 “thou lokest vengeance of their inventions”!, the WTC attack, El-Nino, Gulf War, and on and on, even future events are explored. Psalm 103 as 2003 talks about the “eagles” and those that are “oppressed” just like America the eagles setting the oppressed free in Operation Iraqi Freedom. This book also shows that all of our modern day science “constants” are encoded in the Psalms by a ‘key phrase’ in the Psalm of the same number, Psalm 19 electricity(heat sun, circuit), Psalm 27 light and 10-27 square is a photon of light, Psalm 29 creation fire, Psalm 31 “speedy” electron and the “New”, Psalm 38 “heavy” gravity and on up to 23 Psalms, not one misses! This book goes deep into the “Tabernacle of Moses”, and the “Ark of the Covenant” showing that these Bible structures are actual models of modern day science. This book shows upwards of 600 key scriptures where the verse numbers equal the meaning of the verse. There is much more in the book as well as these subjects involved about the Bible’s numbers. The book is guaranteed to please and show ‘powerful’ proof that “the scriptures are the inspired Word of God, because this is a book of facts not speculation. All of our modern day history and science will unravel from the Psalms in just the first 2 chapters alone, all landing on the correct verse numbers! Imagine playing a lotto where you have to get 40 numbers out of 350 numbers on the first try, because this is what the Psalms did 3,000 years ago! The odds are about 10^-40th power to 1 (40 zeroes) that all of the proper “key expressions” keep landing in the Psalm of the same number as the year or a science constant number. I know that you will enjoy the book and be blown away by the “proof” Don Christie The Unbroken Wholeness Power of God InterVarsity Press
The final book of the Bible, Revelation, prophesies the ultimate judgement of mankind in a series of allegorical visions, gory images and numerical predictions. According to these, empires will fall, the “Beast” will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Blind Chance Or Intelligent Design? Crossway
In Equal, Church and ministry leader Katala Adams argues that the church has too often misrepresented the heart of Jesus to release and empower women and men. With sensitivity to both sides of the argument, Adams draws on the wisdom of Scripture, theology, and the Holy Spirit, blending them with her own personal experiences, she asserts that both women and men are equally called to serve and lead in the church and in the world—and that, by restricting the roles of women, we are missing God’s design for the church and for the gospel’s impact on the earth.

Fall in Love with God’s Word Crossway
This first-rate biblical and theological study offers an accessible examination of the key texts of Scripture pertinent to understanding female roles, affirming full equality of the sexes in family and church. The third edition has been revised throughout. Gilbert Bilezikian avoids using scholarly jargon and complex argumentation in the main text of the book to encourage readers to interact with the biblical research. The aim is for nonspecialized readers to be able to follow his discussion step-by-step, evaluate arguments, consider alternative views, and arrive at independent conclusions. The study guide format of the book is designed for either individual investigation or group work. Pastors, church leaders, students, and those interested in issues relating to gender and church life will value this classic work on the egalitarian viewpoint.

The Message of Women: The Second Eve
What the Bible really teach about the roles of men and women? Bible scholar Wayne Grudem carefully draws on 27 years of biblical research as he responds to 118 arguments often levied against traditional gender roles. Grudem counters egalitarian and feminist critiques with clarity, compassion, and precision, showing God’s equal value for men and women while celebrating the beauty in their differences.

Evangelical Feminism and Biblical Truth Canongate Books
The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers’ passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Equally Yoked Zondervan Publishing Company
Does God call women to serve as equal partners in marriage and as leaders in the church? With careful exegetical work, Lucy Peplatt considers relevant passages in Ephesians, Colossians, 1 Peter, 1 Timathy, and 1 Corinthians. She finds a story of God releasing women alongside men into all forms of ministry, leadership, work, and service on the basis of character and gifting, rather than biological sex.

Recovering Biblical Manhood and Womanhood (Revised Edition) Zondervan Publishing Company
When theological beliefs remain unchallenged, false beliefs can still affect how we view each other even when modern research tells us otherwise. When Dogmas Die begins with a comprehensive look
at Genesis 3:16 and the view that women are born inferior. Author Susanna Kriz presents a convincing argument that once you understand the original meaning of this verse, equality for women cannot be refuted. Thoroughly researched, and addressing every relevant verse in the Bible from a linguistic, historical, and practical perspective, When Dogmas Die is a must-read for anyone interested in biblical equality.

What the Bible Actually Teaches on Women | Baker Academic

By design women are to be a completing partner of man, giving him weight, value, and worth in his authority. Unfortunately, this God-given gift has escaped in large dimension the attention of man, whose focus has been primarily on the subjection of womanhood rather than the gift of womanhood. The fact is that both the Old Testament and the New Testament scriptures give evidence for the possibility of a woman holding any office or exercising any ministry in the church, particularly those offices mentioned in (Eph.4:1-13). This is not an attempt to add some new "equal opportunity clause" in the body of Christ, but to express what the Bible says of the equality that women have in ministry. God has ordained this possibility to women within the limits prescribed by his word. Jesus, the head of his church gave women a large place in ministry. He challenged men to recognize that there is a mighty Army of spirit filled, anointed women surrounding them waiting for their endorsement.

A biblical defense of egalitarianism that relies on Scripture to affirm gender equality in the church and in the home. "Biblical womanhood" is the idea that the Bible teaches God-ordained male leadership. And, woman is the complement in the home and subordination in the church. Some say this hierarchy of authority is sufficiently evidenced by examples of male leadership (and lack of female leadership) in the Bible: the first human was male, Israel's official priests were male, most authors of Scripture were male, Jesus was male and chose twelve male Apostles. God is addressed as Father. Wives are commanded to submit to their husbands. In The Bible vs. Biblical Womanhood, New Testament scholar Philip B. Payne argues that the very Bible passages that are often believed to teach male headship and female subordination actually teach gender equality. He demonstrates that the Bible does not endorse gender hierarchy but instead emphasizes: The Holy Spirit gifting all believers for ministry The oneness of the body of Christ (the church) and the priesthood of all believers Humility, service, and mutual submission required of all believers Freedom and willingness to relinquish freedom in order to spread the gospel. These concepts are examined in 14 Bible passages throughout the Old and New Testaments, using careful exploration of Greek and Hebrew word meanings, historical and cultural context, and examples from Scripture. Payne defends his position by providing detailed answers to common objections at the end of each chapter. The Bible vs. Biblical Womanhood is for those struggling to reconcile the Bible's seemingly contradictory teachings about man and woman. Readers will come away with greater confidence in the reliability of Scripture's consistent, harmonious message of gender equality.

We're Not All Equal: Because God Says So By: Donald Eichholtz We're Not All Equal: Because God Says So has been written by the infilling of Jesus Christ and the Holy Spirit to open the eyes and ears of those Christians who have been lulled to sleep by the World's Love. We are told in the Word if you love that way, you become an enemy of God instead of Fear of God, which is the beginning of all knowledge. Many many Christians have made God in their minds and heart a Sugar Daddy, which He is definitely not. He is, without a doubt, the most Loving God and Father we will ever know. But, to God, obedience is worth more than anything we can sacrifice.

Over 2,000 Bible Proofs for Catholic Truth! Contrary to what many believe, Catholic doctrine is not made up by popes and theologians but is derived entirely from revelation, as this book shows. In it, veteran Catholic apologist Dave Armstrong gathers in one place countless passages from Holy Scripture that point directly to the teachings of the Catholic Church. This galaxy of more than 2,000 passages from the Bible is overwhelming evidence that on every side Catholic teachings are confirmed by Scripture. Indeed, these passages show that the Catholic Church has a more complete grasp of the meaning of Scripture than those who try to use Scripture to discredit the Church. That's because Catholic teaching is based not on selective readings of Scripture but on understanding and veneration of the whole Bible in its organic interrelatedness. Catholic doctrines are not distillated from single passages quoted in isolation or out of context; they arise from an encounter with the whole of Scripture, wherein passages on the same theme are read in light of each other, so that together they lead the mind to a complete picture of the truth. That's why Dave Armstrong has gathered here under 115 thematic headings all the passages in Scripture relating to key Catholic doctrines. This arrangement makes it easy for readers to consider systematically — as the Church does — all the parts of the Bible that relate to any particular Catholic belief. Whether you're a Protestant seeking to understand Catholicism, or a Catholic wanting to defend Catholic teaching or learn more about its biblical basis, this is the one book you need.
